The Board of Extension serves Christ's Sanctified Holy Church in maintaining the grounds and fiscal interest of the campground, Church Home/ Life Spring and farm. This update gives a brief overview of the past year's activities. For complete information about this year's campmeeting, go to websites- Sanctifiedchurch.org or cshcmembers.com

BOE Updates:

CAMPGROUND- Maintenance and improvements continue all year long on the campground. Some of the projects done this year include: new street signs, and repairs to water main breaks.

BOE adopted a Facilities Use Policy to help ensure proper use and care of the facilities on the Campground God has entrusted to us. Link to policies [HERE](#).

PUBLISHING & PROCLAMATION- Click [HERE](#) to watch live services, find uplifting videos, and access the Tidings Publication and Clip of the Week. Our new *Songs of the Redeemed* Songbook was published this year and new high definition cameras were installed in main campground sanctuary. The old cameras are now being used by local congregations in their video ministries.

The church uses a system called Flocknote to communicate with the congregation and to manage Directory info. To update your info, visit [Flocknote.com](https://www.flocknote.com) and enter your phone number or email. You'll receive a 4-digit code to access your profile. Click your profile to edit your address, phone number, or email.

Funeral Notifications for funerals conducted on the campground are sent out through a Flocknote text group. If you are not already in this text group and would like to be added, please contact Bro. Danny Collins at danielvab@aol.com or 757.439.0673.

YOUNG PEOPLES WORK PROGRAM- Thanksgiving Work Weekend 2024, led by Bro. Derek Robuck, accomplished many projects such as: repouring cemetery row markers, removing nursing home chapel carpet and beginning installation of new flooring, cleaning out church barn, building a brick wall to shield the nursing home

roofing, clearing out chicken barn, building a brick wall to enclose the parking/home dumpster, and clearing brush around the holding pond.

Thanksgiving work weekend for this year is planned for November 27-29, make plans to join us.

LIFE SPRING: The LifeSpring Community is operating well. We offer traditional long-term skilled nursing care in Church Home, short-term rehabilitation in Jacob's House, and meaningful memory care in Grace Garden. Because of the dedicated work of our caregivers we are close to being full a lot of the time. However, never assume we are full when you have a need. LifeSpring benefits greatly from CSHC members ministering, visiting, and residing in LifeSpring. For admission information, please contact Benita Johnson 478.987.1239 or email BJohnson@LSCGA.com. Benita is a good source for advice regarding Medicare supplemental and replacement plans. Many plans sound good but offer very little in the way of skilled nursing care. Planning now could make a big difference in the financial impact if our services are needed for your family. See us online [HERE](#).

THE STEPHEN'S FUND: Assists members experiencing financial hardship. This fund is overseen by Bro. Gene Mustin, Bro. Rosh Bennett, and Sis. Joanna Basham. Please encourage members in need to reach out by emailing stephensfund@cshc.org. Donations to this fund may be made [HERE](#).

FINANCE- CSHC is supported by donations and has no collections during worship services. To discover ways to give and the different projects and funds that need funding click [HERE](#).

CABINS/ LOTS/ RV OWNERS

For safety reasons, the BOE updated addendum 1 of the Lot Use Agreement that governs all cabin and lot users in order to address RV use on the campground. A link to the new policy is [HERE](#).

Some things to remember:

- To secure cabin or release a cabin, contact Bro. Joe Woods: jwoods@collinsandwright.com or (803) 730-2032.
- Lot owners wanting to build or remodel adding sq feet to their structure need to contact Bro. Mike Gray: mgray@jacorinc.net or 770.231.8257. All permitting is done through the Church.
- All Water & Sewer payments for 2025 are due by Camp Meeting. Please mail to the Campground Office at P O Box 1465 Perry GA 31069

to the campground since all of our trees are now green.

- Each cabin owner is responsible for paying the Houston County property taxes assessed on their cabin. Unpaid 2025 taxes are now past due. To check on the status of the taxes due on your cabin, click [HERE](#).

CEMETERY AND FUNERALS

- The cemetery roads were repaved this spring.
- To support ongoing maintenance and beautification of our cemetery we have adopted gravestone decoration guidelines. They are available [HERE](#).
- For families planning a funeral at campground, a helpful guide is available outlining the necessary steps at this [LINK](#).

FARM The farm continues to be productive. The older portion of the pecan orchard continues a long-term renovation to replace the older trees. The newest orchard towards I-75 is growing in nicely.
